Brethren julio and Rosimar

Bible Class in La Línea, to the East of Maturín.

Bible Class in Los Guaritos, to the South of Maturín

Affectionate and fraternal greet in Christ my beloved brothers. It is our wish that all are well, blessed and protected by our Heavenly Father. THE CHURCH IN MATURIN CENTRO: We thank God that the brothers are in good health and there have been no new cases of Covid 19 in the brotherhood, keeping the biosecurity measures. The brothers remain firm in their faith, strengthened in the Lord, facing the “country” situation through which Venezuela is passing at this time. Reactivation of home meetings. In a previous newsletter, I informed about the activation of this activity with the support and collaboration of the spouses Julio Vargas and Rosimar Macano, with personal participation and the use of their car. They are faithful Christians. middle school teachers, Rosimar is a math teacher and Julio is a sports teacher. Brother Julio is very active in the work of God, he is very intelligent and learns quickly, in addition to participating in the classes at the house meetings, he also participates by preaching to the church in the worship meetings. He has stated that if he had the possibility, he would start in the work of preaching the gospel full time, and his wife supports him. Effect of home study meetings. In this time of pandemic, when they have imposed on us a program of social control (7 + 7), a flexible week, in which we can meet publicly without restriction for worship, only keeping the biosecurity measures. And the following week, which is a radical quarantine, and we cannot meet publicly by decree of the national government; we have decided to hold home Bible classes with small groups. With this activity, the brothers take the opportunity to invite non-Christian neighbors and relatives. As a result of this activity, we have noticed enthusiasm and better spirit in the brotherhood, some non-Christian participants have shown interest in continuing to hear the word. So far this newsletter. I am very grateful, dear brothers and sisters, for communion with this servant, especially in this difficult time.

We pray for each other so that God will protect us all. Let us particularly pray for non-Christians who hear the gospel in home meetings. If God allows, it will be until the next edition, in the meantime, that God continues to bless and protect everyone richly, goodbye.

In the love of Christ,
Antonio and family.
