Comodoro Rivadavia, 28 of June 2021.-

Dear brothers and sisters, I want to greet you all, hoping that upon receipt of this letter you are all well enjoying the blessings of our beloved God and the Lord Jesus.

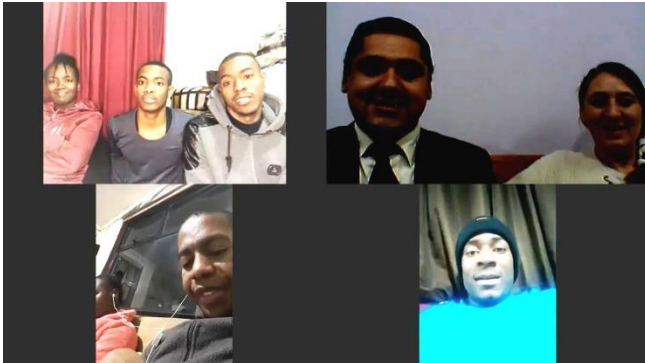

- REPORT -

I share with you some of the activities carried out by this server in these times that we have to go through. BIBLE STUDIES VIA ONLINE WITH BROTHERS FROM GUATEMALA, PUNTA ARENAS AND PORVENIR. In June I had the opportunity to have virtual Bible studies with brothers from Nicaragua, they invited me to present two classes. The topics I touched on with this group of brothers were: The danger of neglecting salvation and The danger of making promises to God and not keeping them. Also in that month I began to study via zoom with brothers from Chile (Punta Arenas and Porvenir) and we continue to this day studying on Wednesdays at 9:00 p.m. This group of Christians are very young, both in age and in faith. Before the pandemic, we would visit them with my wife at the beginning every one month later, every two months for the money involved in getting there (1031 km), which was more or less 12 hours of travel by car. Unfortunately now we cannot assist them personally since the Chilean border is closed due to the pandemic, so I am assisting you through that means to encourage you in faith, until you open the border and we can go to visit them in person again. The themes that I shared with them are the same as with the brothers in Guatemala, and we are currently seeing what it means to be a disciple of Christ, we

have the last two lessons left.

Brethren of Guatemala and of Chile (Punta Arenas y Porvenir)

BAPTISMS AT THE CHURCH OF CHRIST IN COMODORO RIVADAVIA: On July 18th there was baptized for the remission of sins Alejandro Javier Painellaf age 40.

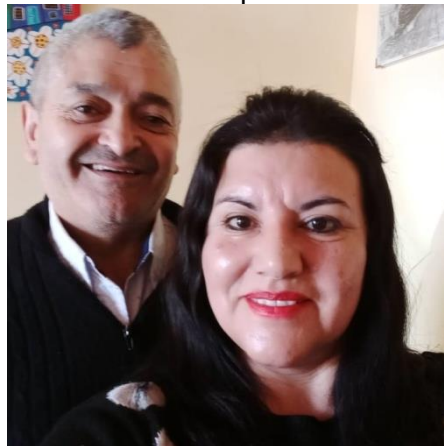

EVANGELISM IN THE CITY OF COMODORO RIVADAVIA: With my wife Sandra Schmidt we have been distributing tracts and posting flyers on the public thoroughfare in the Abel Amaya neighborhoods, 1008 homes and Barrio Laprida. I am printing more brochures and flyers to continue this work, God permitting.

HEALTH: With regard to the health of the brothers in Christ they are fine, none have been affected with Covid, thanks to the protection of God. In the family we are in good health, only I am suffering from an upset stomach, apparently it is gastritis. I am taking a pill for this and yesterday (Tuesday 27/7) the doctor sent me to do an abdominal ultrasound to rule out other things. The place where I have to get it is municipal and the answer they gave me is that they will be calling me when they have a turn without giving me an exact date, so I have no choice but to wait.

MEETINGS ON SUNDAYS: Although there is a restriction regarding meetings on Sundays, we still do not stop meeting, keeping distance and protocols. The brothers who have been in charge of the service are the brothers Franco Del Arco (preaches and presides) Edgardo Correa (Biblical reading, distributes the elements of the dinner and collects the offering), Luis Figueroa presides over the offering and eventually presides over the dinner) and who writes to them, who preaches and eventually I do other services as well.

BROTHERS OF THE CHURCH OF RAWSON COVID: In July I was informed of the bad news that a couple of brothers of the Church of Christ in Rawson were infected with Covid-19. Thank God these brothers were able to endure the health complications and today they are recovered.

■ Brothers I say goodbye to you as always begging your prayers, I thank each church and brothers who help me in particular to continue carrying the gospel of Christ in this city. The Lord reward you handsomely. We pray for you so that the Lord will keep you and affirm you so that you can go through this test that we have to pass. The grace of the Lord Jesus Christ, the love of God, and the communion of the Holy Spirit be with you all. He is greeted by his brother in Christ Alejandro Correa
