Dear brethren,

Sorry this is a little late. Praying all is well there.

The Cotton family issues are a little better for now. The great neices I mentioned last time are now with the grandmother. Lora's mom, Hope Doss, is still living with them because of her falling a lot as well as worsening memory issues. Their son, Bryan, has some "girlfriend" issues and prayers for him are needed. Please say some extra prayers for the Cotton / Doss family.

Still trying to work with bro Denver Dobbs to help him overcome his weakening faith. Pray for Denver and his mom, Sister Sandra Dobbs.

I finally was able to talk with sister Deb Westerman. Please keep praying for her, and us, as we try to restore her.

All other members still doing well spiritually and physically. Some are still seeing extended family health issues (parent's health, grown children, jobs, etc.)

About Glenda and me:

Glenda is doing fairly well. Nothing new either way. We appreciate everyone's prayers for her, so thank you all so much.

I've been in good health, so hopefully that will continue.

Physically and spiritually we and the congregation continue to do well. Again, thanks for your support and prayers.

We ask you to continue to pray for our country to not restrict the Lord's Word.

June 2021 support:

Midway.....\$1500/mo

North Beach.....\$500/mo

Weatherford.....\$600/mo

Please remind me of any upcoming meetings you have scheduled, as I will try to attend as many nites as possible. It will be good to see all and I appreciate the fellowship I always get from all of you.

Thanks again for your prayers and support.

May God continue to bless you all in your efforts for the Lord
David Reeves
