To the Church of Christ in North Beach, Texas. USA

Dear brothers.

God blesses us with life and health and allows us to work in his kingdom by announcing his gospel. I greatly appreciate his prayers and the fellowship that they give me in supporting my work in preaching the gospel in Chile.

A Report of the Work Carried Out in July 2024

The work of teaching the word of God in the local church was carried out together with brother Rubén Toledo. The brothers Rodrigo Acevedo, Nelson Moraga, Cesar Morales and Emilio Acevedo Jr. also collaborate.

Teaching in homes.

In the work of teaching the word of God in homes, I continue to strengthen the faith of my brothers.

With our brother Joel Dote, who obeyed the gospel in June, I began teaching the 12 lessons of the “Now that I am a Christian” program. Joel expresses great interest in the study of the word of God. On Mondays we meet at his house, with the purpose of integrating his family in the study of the gospel.

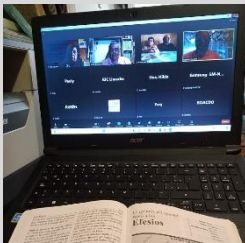

He also taught the book of The Acts of the Apostles on Wednesdays in my house where several brothers attend. On Saturdays he taught a Venezuelan family who are members of the church in Limache.

Marriage.

On July 5, our siblings Alexander Hofstetter and Marleny Escalona were married. They are Venezuelan immigrants who two years ago began to visit the congregation and came to study the word of God at my house and obeyed the gospel. I share this joy with you.

Preaching Through The ZOOM Platform.

I continue teaching on Mondays through the ZOOM platform, the letter of the Ephesians to the church of Christ in Pifo, Quito - Ecuador.

Also together with Brother Rubén Toledo, on Tuesdays and Thursdays, through this platform we teach Bible lessons in which brothers from Chile, Peru, Ecuador and Uruguay participate.

Evangelistic Journey to the Church of Christ in Calama, Northern Chile.

From July 13 to 22 I was teaching the word of God with the Church of Christ in Calama, the brothers received me with great joy. Every afternoon, after work, we studied the word of God for 9 days. Reviewing sound doctrine and answering many biblical questions. Several people visited the meeting place to hear the word of the Lord. Brothers José Guerrero and Ismael Rivas strive to keep this group of brothers strengthened in their faith. Every Tuesday and Thursday we teach them Bible lessons through the ZOOM platform.

With the brother José and his wife Estefany with Noah his son.

Baptisms.

Two people who were visiting us in a meeting requested baptism in obedience to the gospel, Mark 16:15,16; Acts 2:38.

We did not find a suitable place to baptize them, since Estefany had had her son a month earlier and considering that, the Loa River, which crosses the city with icy waters that come from the mountain range, was not an option. I improvised a wooden baptistery that we lined with polyethylene and it was useful for carrying out the baptisms of our new sisters. They are

Estefany Anza, 33 years old, and Ana Mantilla, 30 years old. We glorify the Lord for the salvation that his gospel offers us. The Church of Christ in Calama, with these latest baptisms, has added 10 brothers. We will continue working to strengthen the faith of this new church. A 7.4 magnitude tremor with earthquake characteristics affected the city of Calama while I was with the brothers. Thank God there was no physical damage.

Our Health.

Thanks to God and the many prayers of our brothers, Inesita, my wife, received the result of the biopsy and will not need chemotherapy. She will be hospitalized for minor reparative surgery.

My health due to the problem of liver fibrosis. I am following medical treatment and ordered diet.

My eyesight is also worn out and the ophthalmologist has requested a retinal scan to define the type of lenses I should use. I hope to have this exam this month.

His prayers will always be necessary to face the present adversity.

Our God has allowed us to celebrate 49 years of marriage. Inés has been a blessing to my life, my companion in many battles, in the difficult moments of life she has been my prayer partner. We will continue walking together until the call of the Lord.

Dear brothers.

Thank you for participating with me in this great work of teaching the glorious gospel of our Lord Jesus Christ!

Don't stop remembering me in your prayers.

In the love of Christ.

His brother,

Emilio Acevedo.
