To the Church of Christ in North Beach, Texas. USA

Beloved brothers.

God in his mercy blesses us with life and health and allows us to work in his kingdom announcing his gospel. The communion that you give me is making it possible for many people to hear the gospel, and for many Christians to be encouraged in their service to our God.

A Work Report Made In August 2024.

My work area is the Church of Christ in Limache, where I teach the word of God together with other brothers.

In the photo, the brothers who help in the teaching and direction of the church. From left to right, the brothers: Nelson Moraga, Rubén Toledo, Diego (the new brother), Emilio Jr. Your servant, Cesar Morales and Rodrigo Acevedo.

Teaching in the homes.

Always with the interest of strengthening the faith of the brothers of the local church, we offer Bible studies in the homes. The brothers receive with joy and interest the teachings of the blessed word of God.

With Joel Dote. = With Erick, Estefany, Alex and Marleni = Antony, Yeraldi, Rashel and Oscar = Victor and Yolana.
Acts 20:20 "How I did not shrink from declaring to you anything that was useful, and from teaching you publicly and from house to house."

Preaching Through The ZOOM Platform.

As always, I am taking advantage of all available means to teach the truth of the gospel. On Mondays, I continue to teach through the ZOOM platform, the letter of the Ephesians to the church of Christ in Pifo, Quito – Ecuador. This month I have also preached for the church of Christ in Ibagué, Colombia. In our meetings that we hold on Tuesdays and Thursdays through the platform, to strengthen the faith of the brothers in Calama, northern Chile, brothers from churches in Ecuador, Peru and Uruguay participate.

Baptisms in Limache, Chile and Sullana, Perú.

We are glad that young people decide to follow Christ. Diego Acevedo, 14 years old, has decided to obey the gospel and we baptized him on August 17, for the forgiveness of his sins. (Acts 2:38).

Diego is our grandson, and we are filled with joy that at an early age he decided to give his life to the Lord.

Since December 2023, I began to help the brothers of the Church of Christ in Sullana, Peru, with Bible lessons. In 2022, Brother Felix Escobar, who was the preacher, passed away. They have not had a stable preacher, only some preachers from the area for a while. Most of the members in this church are women. They meet in the living room of a house, through the television I teach them on Sundays at 6 AM through the ZOOM platform. Acts of worship and the memorial of the Lord's Supper are held. We also have Bible studies with questions and answers on Tuesdays.

One of the people who visited the congregation decided to obey the gospel. She is Belén Escobar, 43 years old. Brothers Leonardo Ramos and Víctor Panta from the Church of Christ in Catacaos, (32 miles from Sullana), traveled to perform the baptism. We rejoice in the power of the gospel that brings salvation to those who obey the instructions of the Lord.

The Church of Christ in Calama, Northern Chile.

I am in permanent contact with the brothers of the church in Calama, northern Chile. I send biblical reflections via WhatsApp and teach them through the ZOOM platform.

Brother Rosendo Ferrufino, a faithful worker of the Lord, traveled to Calama from August 24 to 31 to present Bible lessons and strengthen the faith of the brothers in this new church.

If God allows, I would like to travel in October to stay with the brothers for 10 days.

Our Health.

Thanks to God and the many prayers of our brothers, Inesita, my beloved wife, is recovering satisfactorily from the prolapse surgery she underwent on August 22.

For my part, thanks to God, I have been in good health, allowing me to carry out my evangelistic work with peace of mind. Your prayers will always be necessary to face the present adversity.

Dear Brothers.

Thank you for participating with me in this great work of teaching the glorious gospel of our Lord Jesus Christ!

The fellowship you give me is making it possible for many people to hear the gospel and save their souls. Also, for many Christians to be encouraged in their service to our God. Keep us in your prayers.

In the love of Christ.

Your brother,

Emilio Acevedo.
