

SEPTEMBER STUDY REPORT

Greetings dear brothers, may God continue to bless you greatly.

Thanks to the LORD, my wife and I are doing very well. This September 28th was our wedding anniversary #6, I thank Father so much for allowing me to be with such a wonderful wife and sister in the Faith. My daughter is very well, her check-ups with the pediatrician have begun, we are waiting for tests that have been carried out. In this month of September the city suffered many forest fires due to drought and high temperatures, we were forced to buy fans to help regularize the temperature and scare away the mosquitos. My mother-in-law ends her visit in this month of October, she returns to Venezuela on the 7th, it was very pleasant for us to share with her during all this time, learning from her wisdom as a mother helped us a lot with our daughter.

My mother is well, we had the opportunity to perform medical tests and a check-up with the cardiologist, in this month of October we will receive a diagnosis of her pressure problems, we hope in God for a positive diagnosis.

The brethren are doing well. I continue to work in the homes, teaching Bible studies and devoting time to my personal study of God's word. I ask you for a lot of prayers for the work and for me, to continue with courage in this beautiful work.

Thank you for your help, for me it is a great blessing. May the love of the Lord be with you

In my Sunday responsibilities, I continue to lead the first hour study and sermons. Thanks be to the Lord, Brother Joseph has led some teachings this month.

We continued our weekly studies on Friday afternoons with Sister Diana.

I continue the biblical studies with Don Alberto and his wife, thanks to Mr. Lucero he can study with us.

***I apologize as I forgot to take pictures of my other Bible studies, but in general we are studying the word of the Lord with all the brothers.**
