## Welcome Guests!

Thank you for worshipping with us today! You are our honored guest. Please stay with us short while after services so that we can visit with you. Our family meets together to praise God and to encourage one another. The Bible is our only guide at Riverside for worship and Christian life. We would be happy to answer any questions that you may have about our church family. Please visit us again at every opportunity!

## Is Love Enough?

It is easy to see a lot of injustice in the world. It is also easy to see a lot of hate. Is love the answer? Jesus taught us to love our brother, our neighbor, and our enemy. Is that enough? Yes! Does it satisfy the world's standard? No. Our society would have you believe that the love of Christ – loving all - is not enough. The world says you should love conditionally: Like some, love others; hate some, loathe others. The world also seeks to validate your love: You aren't loving unless you are activist, militant, and exclusive. When Jesus taught love it was unqualified and unconditional, modeled by his self-sacrifice. Don't let the world convince you otherwise.

## It's Spring Planting Time

Plant 5 rows of "p" eas: preparedness, promptness, perseverance, politeness, and prayer

Plant 3 rows of "squash": squash gossip, squash criticism, squash indifference.

Plant 5 rows of "let us": let us be faithful, let us be loyal, let us be unselfish, let us love one another, let us be truthful.

No garden is complete without "turn ups": turn up for worship, turn up with a smile, turn up with a new idea, turn up with real determination!
