**Why Needed?
What's the Blueprint?
How To Begin?**

HOME IMPROVEMENT

Why Needed?

◆ Invasion of Individualism

"I am my own god"

Judges 21:25

***“In those days there
was no king in Israel;
everyone did what was
right in his own eyes.”***

NKJV

HOME IMPROVEMENT

Why Needed?

◆ Encroachment of Secularism

“God is unnecessary”

Rom 1:21-26

“because, although they knew God, they did not glorify Him as God, nor were thankful, but became futile in their thoughts, and their foolish hearts were darkened. Professing to be wise, they became fools”

Rom 1:21-26

and changed the glory of the incorruptible God into an image made like corruptible man--and birds and four-footed animals and creeping things. Therefore God also gave them up to uncleanness, in the lusts of their hearts, to dishonor their bodies among themselves,

Rom 1:21-26

*who exchanged the truth of
God for the lie, and worshiped
and served the creature rather
than the Creator, who is blessed
forever. Amen.*

Why Needed?

- ◆ Intrusion of Relativism
- ◆ “No Absolutes”

John 14:6

“Jesus said to him, “I am the way, the truth, and the life. No one comes to the Father except through Me.”

theism or other supernatural beliefs, affirms our ability and responsibility to lead ethical lives of personal fulfillment that aspire to the greater good.

– *American Humanist Association*

Humanism is a rational philosophy informed by science, inspired by art, and motivated by compassion. Affirming the dignity of each human being, it supports the maximization of individual liberty and opportunity consonant with social and planetary responsibility. It advocates the extension of participatory democracy and the expansion of the open society, standing for human rights and social justice. Free of supernaturalism, it recognizes human beings as a part of nature and holds that values—be they religious, ethical, social, or political—have their source in human experience and culture. Humanism thus derives the goals of life from human need and interest rather than from theological or ideological abstractions, and asserts that humanity must take responsibility for its own destiny.

– *The Humanist Magazine*

Humanism is a democratic and ethical life stance which affirms that human beings have the right and responsibility to give meaning and shape to their own lives. It stands for the building of a more humane society through an ethics based on human and other natural values in a spirit of reason and free inquiry through human capabilities. It is not theistic, and it does not accept supernatural views of reality.

Gen 2:18

And the LORD God said, "It is not good that man should be alone; I will make him a helper comparable to him."

A photograph of a family walking away from the camera in a grassy field. A woman in a grey top and dark pants is on the left, a young girl in a white dress is in the middle, and a man in a white shirt and shorts is on the right. They are holding hands. The background is a soft, golden light, suggesting a sunset or sunrise.

Matt 19:4-6

And He answered and said to them, "Have you not read that He who made them at the beginning 'made them male and female,' and said, 'For this reason a man shall leave his father and mother and be joined to his wife, and the two shall become one flesh'? So then, they are no longer two but one flesh. Therefore what God has joined together, let not man separate."
