## Good Sunday Morning

The first Sunday of December officially ushers us into the home stretch of 2015. This has been a wonderful year for our church family. To be sure, there have been challenges but, all in all, we've enjoyed and celebrated amazing blessings. Just think about the number of baptisms, new babies, new members, and new opportunities that we've experienced. We'll recap these in the State of the Church lesson in a few weeks but it's been a terrific year. As we begin this final chapter of 2015, let's make sure that we do our best and give our best to finish the year well.

## Operation Arrival!

On occasion young people who grew up in our congregation move to another part of this good nation. They will, however, always retain a place in our hearts. **Shane Slone** is in that number and we're delighted to note that he and **Jackie** are now the parents of a beautiful baby girl! **Charley Mae** was born this past Friday in Dallas. All are well and we thank God for His care of this young family.

## A Brief Farewell...

Every segment of our church family, from toddlers to young married couples to middle age folks to our senior saints – all are valued, all are loved. Embedded in our family every year are a host of *college students*; students who will begin their final exams tomorrow. That means, of course, that today will be their final Sunday with us until January. We pray that your exams will go well and that you'll enjoy the well-deserved Holiday break. We've loved having you as a part of our church family this semester and look forward to having you back with us in January.

## And In Health News...

**Clint Finney** continues to be fairly well home-bound as he recuperates from his recent hospitalization ... **Anthony Sobr** continues to struggle with his most recent health issue. Please pray that an accurate diagnosis and effective treatment will soon be forthcoming ... And please remember **Doris Jean (and David) Hammontree, Terry Sanford and Bronwyn Botts**, all of whom continue to grapple with their respective health challenges.

## Housekeeping

The **Sunday Night HS Devotional** will take place at 7:30 this evening at the home of the Hensons .... The **Monday Night College Class** will not meet again until in January .... The **Thursday Morning Ladies' Class** continues to meet at 10 a.m. in Room 107 .... If you are a member of this church family and have not gone online to verify your directory information, please take a minute and do so today. This will help as the new edition of our **membership directory** is prepared in the next few weeks. And if you're a member of this church family and have not registered as yet for a member's account, please do that as well. It takes just a minute and will give you access to a wealth of material. **ttcoc.com** Thanks!
