Temple Terrace Today

Good morning and welcome to our assembly! We're glad that you made the choice to be with us today and we pray that you'll be blessed because of that decision. There are so many things this world offers which can occupy our time. There are so many other things you could be doing today. Yet, none of them are nearly as important as gathering with God's people in order to worship and praise the God who created this world. Let us worship Him now with our whole hearts!

Tampa Meets Texas

This morning here at TT we'll have a special guest, brother **Max Dawson** from Beaumont, Texas. Max has done great work for many years across the country teaching elders and deacons how to do their work to the best of their ability, and this past weekend he was here to do that same work for our elders and deacons. We're thankful to Max for being willing to help us in this way. And we're thankful that this morning we'll all get to hear him teach as he brings us a lesson from God's word. Listen carefully as Max teaches us about "Seeing Our World Through the Eyes of Jesus."

Thanks Again

Well, I think we all would agree that our 2021 VBS was a tremendous success! How wonderful it was to get just another little taste of normal back in our lives. Our children were filled with knowledge from God's word and the rest of us were filled with pure joy watching these precious little souls sing, learn, and pray. We've said it once before, and I'll say it at least once more – thank you to our teachers and thank

you to our helpers for making this year's VBS possible. We couldn't have done it without you!

Say, "Cheese!"

It's that time again! Following our assembly this morning, our brother Simon Crim will be taking pictures for our directory back in Room 108. If it has been a while since your last picture, if you've had seven kids since your last picture, if you just don't like your last picture, if you have any reason to get a new picture, here's your chance! Just head back to Room 108 when we wrap up in the auditorium. And make sure to give a big, "Thank you," to Simon for helping us in this regard.

Keep in Prayer

There are several brothers and sisters among us who would appreciate your prayers. If you don't mind, here's two names to make sure you have on your list:

Les Maydell required rather extensive surgery last week to repair a long-standing issue. We're grateful to God that his procedure went smoothly, and that he was able to return home last week. Still, Les will have a long recovery ahead of him. Please pray for him, as well as Linda and rest of the Maydell and Harbig families.

Karen Hudson would also request your prayers as she battles her cancer. She has begun a course of radiation treatments intended to fight the cancer and alleviate the pain. Please pray fervently that this treatment is extremely effective for our sister.

FOR SMALL CHILDREN

There is a nursery/ "cry room" in the back of our auditorium. You can see into the auditorium from there and the Lord's Supper will be served in there as well.
