

## Observing a Verse

**TODAY'S PASSAGE:**

Psalms 93:1

**TIME COMMITMENT:**

30 minutes

Since we're choosing a psalm, the context of what comes before and afterwards may not be as important as in a narrative passage. However, the more you read the psalms, the better you can detect similarities and contrasts. Note the present tense of the verbs. If the psalmist wrote in present tense, does that mean the verse is now past tense? What words or phrases are repeated? Why do you suppose they are so emphasized? What connection, if any, do the terms "majesty" and "strength" have? Practice your observations skills and write down your notations below:

Jehovah reigneth; He is clothed with majesty; Jehovah  
is clothed with strength; he hath girded himself  
therewith: The world also is established, that it cannot  
be moved.
