## Reading the Old Testament Wisdom Literature

### 2023 Daily Bible Reading Schedule

Each year thousands of students enroll in universities and trade schools to learn academic disciplines and job skills. But where do you go to learn how to live life in a wise way that yields the best kind of living? Who will teach you how to worship God from a full and devoted heart? Where can you learn what to do when you're suffering, how to get along with people, or how to understand God's ways better? The Bible offers all of this and more in the books of Job, Psalms, Proverbs, Ecclesiastes and Song of Solomon. Together they make up the Bible's wisdom literature, and it is these books that help us live better "under the sun," while also coming to know God better. They will help us see the wise path and see as God sees in 2023!
