

Profiting From the PROPHETS

2024 West Oaks church of Christ
Congregational Reading Plan

This year's reading program focuses on God's messengers, the prophets. We will read all of Isaiah, Jeremiah, Lamentations, Ezekiel and Daniel. Each week we will read from these "major" prophets as well as some reading from a chapter where something from that prophet is used in the New Testament. This will help us see the vital role the prophets play across all of Scripture. We will also read from appropriate historical sections so that we can have a sense of the times the prophets preached in. Some attempt has been made to put the readings in a somewhat chronological order. This year's reading will help you better understand God, His love for His people, and His plan to save us from our sins as we hear His prophets preach His Word in difficult and dark times. Join us as we profit from the prophets!
