Ezk.32:2, “Son of man, take up a lamentation for Pharaoh king of Egypt, and say to him: ‘You are like a young lion among the nations, And you are like a monster in the seas, Bursting forth in your rivers, Troubling the waters with your feet, And fouling their rivers.’”

# World Book

“Dragons of legend are strangely like actual creatures that have lived in the past. They are much like the great reptiles which inhabited the earth long before man is supposed to have appeared on earth. Dragons were generally evil and destructive. Every country had them in its mythology. Dragons were generally evil and destructive. Every country had them in its mythology.” They are drawn and described with uniformity.

'Here are found snakes and huge serpents, 10 paces in length, 10 spans in girth (50' long, 100' around). They have two short legs, each with 3 claws, eyes larger than a loaf and very glaring. The jaws are wide enough to swallow a man; the teeth are large and sharp; their whole appearance is so formidable that neither man, nor any kind of animal can approach them without terror.
