Perspective in Difficult Times

Shane Scott | The Great Reason: Can Faith and Science Hang Out?

Can you be a person of science and still be a person of faith?

Andy Harrison | The Great Balance: Keeping Truth Center while avoiding Judgmentalism and Emotionalism.

How to Biblically manage our personal relationships in difficult times.

Caleb Churchill | The Great Disease: Racism.

The Bible has the answer for the value of every human being – created in the image of God.

Caleb Churchill and Benjamin Lee | A Conversation about Racism

A conversation between Caleb and Ben about the sickness before us so we can know how to heal.

Chuck Durham | A Great Plea for Help

A look at the mission of Jesus and the Apostles and how it must impact us in the work we do.

Bubba Garner | The Great Commandment: Love God and Others too.

What it really means to love.

Andy Cantrell | The Great Troubling of the Heart: Facing Anxiety and how to Live through it.

Difficult time trouble and anxieties. There is a way to get through it.

Benjamin Lee | The Great King

Jesus is the True King who will conquer all.
